Welcome to Our First Issue!

Welcome to the very first issue of Fieldhouse Reader's Magazine!

Fieldhouse Publishing has always been about more than books. It's about bringing together readers, authors, stories, and communities.

Each month we'll introduce you to new books, fascinating topics, talented authors, local businesses, and plenty of reasons to keep turning pages.

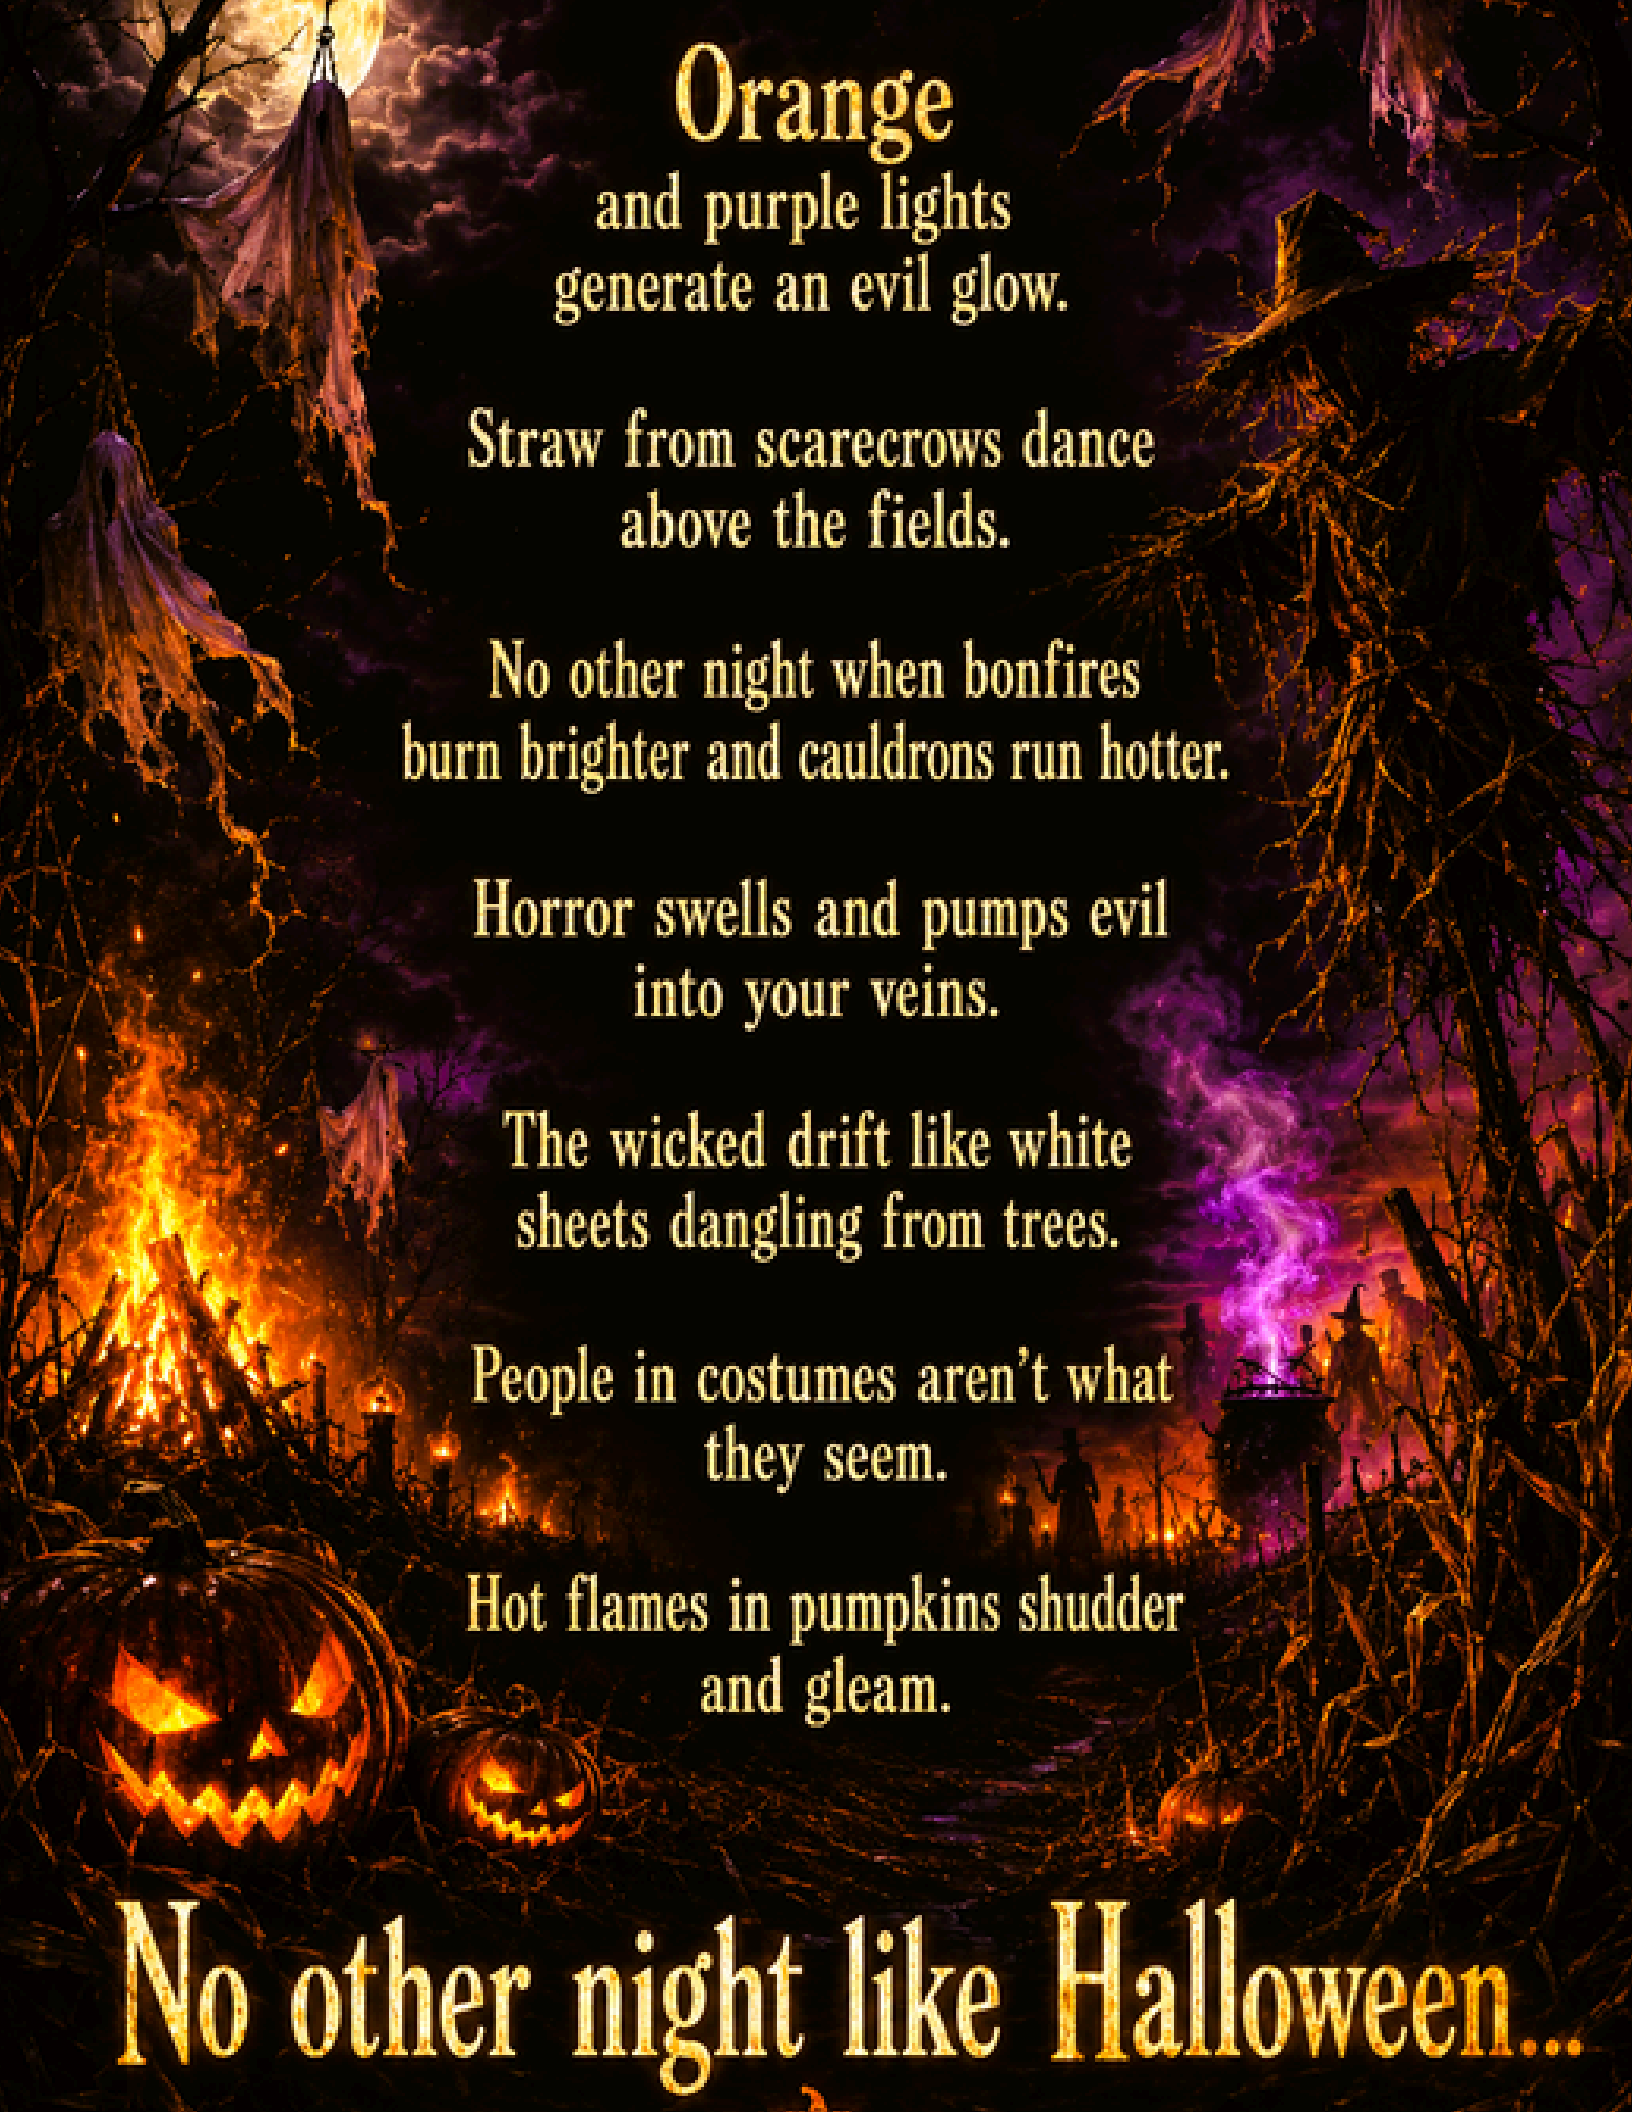

No matter which of our five Houses you call home, there will always be something new to discover.

Thank you for being part of our growing Fieldhouse community.

Happy Reading!

Orange
and purple lights
generate an evil glow.

Straw from scarecrows dance
above the fields.

No other night when bonfires
burn brighter and cauldrons run hotter.

Horror swells and pumps evil
into your veins.

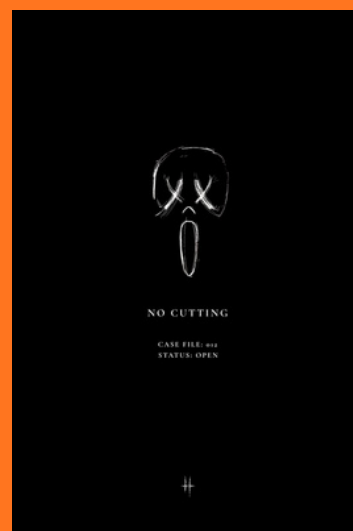

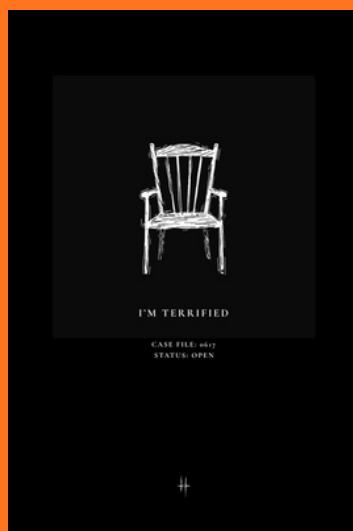

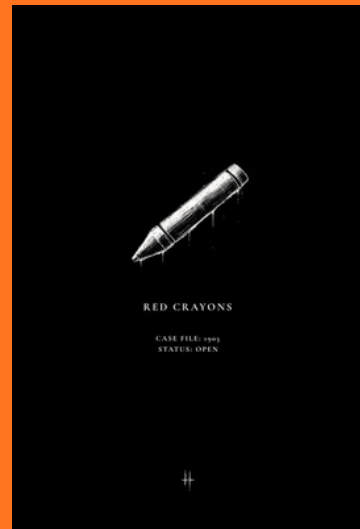

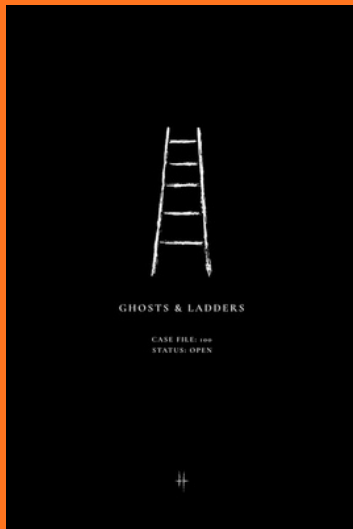

The wicked drift like white
sheets dangling from trees.

People in costumes aren't what
they seem.

Hot flames in pumpkins shudder
and gleam.

No other night like Halloween...
